

The Winners

WINNING FIRST prize for their quartet at the Freshman Talent Show last night were, left to right, Arlen Schwerin, Dennis Taylor, John Dierks and David Nickel.

Government Loan Money Available To Wartburgers

For the second year, Wartburg College will receive money from the Federal Loan program. This money is to be lent to students during the 1959-60 school year, according to information received by H. C. Engelbrecht, Wartburg's institutional representative.

According to Engelbrecht, Wartburg must add one-ninth

to the government sum of \$15,346, making the total \$17,051.

This program was made possible through the National Defense Education Act of Congress. It allows college students to borrow money while attending college and begin repayments one year after graduation. Rate of interest is three per cent.

"A student who plans to teach in public schools is permitted to discount 10 per cent for each of five years of service," stated Engelbrecht.

Fourteen loans were made during the past year and a number of applications are now pending in the office of Dean of Students Earnest Oppermann. Past loans have ranged from \$200 to \$600.

The money will be paid to the college by the government office in two installments, the first this month amounting to \$10,259 and the remainder in January 1960.

Senate Convenes Under N. Litzner

By Darlene Nimtz

Voice of student government again re-echoed on the Wartburg campus last week.

Initial meeting of the Student Senate was held Monday evening in the Senate room of the Student Union, and Tuesday during convocation President Norm Litzner presided over the first Student Body meeting of the year.

A report on the progress of Homecoming activities by Chairman Ron Beckman was first on the Senate meeting agenda. Following this the senators decided to hold meetings three times a month on the first, second and fourth Mondays.

Leadership Retreat was another topic of discussion. The date prescribed for this event is Oct. 17.

Considerable debate ensued concerning the Battle-ax agreement which presently exists between Luther and Wartburg. This trophy is presented on the basis of an accumulative point system. At present, 100 of the total points are awarded on the basis of student body sportsmanship. Recently, however, a suggestion has been made to amend this part of the agreement in making the decision regarding which school will receive the trophy.

Several reports by the area chairmen of student government were given at the Student Body meeting on Tuesday. These were presented by Roger Lageschulte, senior, on student government in general; Larry Collmann, junior, on the Student Activities Committee; Grace Jahn, junior, on the Academic Life Committee; Bob Albers, sophomore, on the Student Welfare Committee; and Dick Jebsen, junior, on the area of public relations.

At the Student Body meeting the Wartburg students also voted on the recommendation to have a Campus Chest. It was unanimously decided again to sponsor such a drive.

Note

All Wartburg girls attending the Luther game tonight will be given one o'clock hours in order that students may attend the after-game social hour, according to Dean of Women, Mrs. Florence Hertlein.

WELCOME ACCEPTED

Foreign Friends Find A Home Here

By Winifred Wandersee

"I have never been in a college like this. I found Freshman Initiation and all the meetings interesting. People here are really helpful."

This was Ursula Hintze's response to life at Wartburg.

Ursula is a foreign student, originally from Germany. However, for the past five years she has been living in Mexico City and attending school there.

Her impression of classes at Wartburg is quite favorable.

"Very well given . . . what I have seen. Everything is well explained. That is good, because personally I am lazy."

It is doubtful that this last statement is entirely correct. Ursula speaks four languages with an ease few lazy people could achieve. She has been speaking English for about four years.

Ursula's major . . . ?

"Well . . . languages."

In general Ursula seems to be enjoying her life at Wartburg. Her comment on this should be a winner with most Wartburg students.

"Oh, I feel . . . like home."

Jan Horne's impression of Wartburg is much along the same lines.

"A real fine school. After what I have heard about it, it should be one of the finer educational institutions."

Jan is a Norwegian student discharged from the Air Force this summer, just in time to come to Wartburg. He is enrolled in a pre-theological course and is in his freshman year.

Fellow students at Wartburg strike him as

being "a fine bunch of people."

Jan feels that the system at Wartburg is very different to him, but that he will soon get used to it.

"The school system as a whole is completely different. It is a good thing to meet different people in different classes rather than staying in the same class as we did in Norway."

JAN HORNE and Ursula Hintze get acquainted with each other while getting acquainted with Wartburg.

The Wartburg Trumpet

VOICE OF THE KNIGHTS

Volume 53 Wartburg College, Waverly, Iowa, Saturday, September 19, 1959 Number 2

Homecoming Arrives Oct. 9

By Rex Grove

Arriving two weeks earlier than last year, Wartburg's 1959 Homecoming weekend will be ushered in Oct. 9 under the theme "Forever Forward."

Alumni registration and class reunions will be held prior to the Kastle Kapers production Friday evening. According to Kapers' co-directors Ralph Hicken and Tom Christensen, this year's production will center around the theme of American folk music.

Most of the approximately forty-member cast were recruited rather than trying out.

This was done because of the limited amount of time to prepare for Homecoming this year.

Senior Nolan Cramer will be technical director for this year's production. Emcees for the variety show will be seniors Gary Hummel and Roger Schneider.

Immediately following Kastle Kapers, a bonfire and pep rally will be held on North Field to generate enthusiasm for the Homecoming game on Saturday afternoon. Junior Edwin Skay and senior Paul Schmitt, co-chairmen of the bonfire and pep rally, report that they are working on something special to use in connection with the fireworks display.

Parade Moves Out

Homecoming parade will move down Bremer Avenue Saturday morning. In addition to the floats, several high

school bands in the surrounding area have been asked to participate, according to Bob Herforth, parade chairman.

Saturday afternoon will find Wartburg fans shouting "Bury the Beavers!" as the Knights meet the Buena Vista Beavers on the gridiron. Homecoming queen will be crowned during half-time activities.

One Speaks

Scheduled as speaker for the Homecoming Banquet Saturday evening is Chuck Lutz, 1953 Wartburg graduate and editor of "One" magazine. Another Wartburg graduate, Bob Vogel, will emcee the event.

Also slated for Saturday evening are the Parents' Reception and the Homecoming Ball, both of which will be held in Knights Gymnasium.

Two church services will be held on Sunday morning, one at 9 in Knights Gymnasium and the other at St. Paul's Lutheran Church at 10:45. Dr. Kenneth Priebe, president of the Ohio District and Wartburg graduate of 1949, will conduct both services.

Houses Are Open

Open house will be held on both Saturday and Sunday. Following open house on Sunday will be the Queen's Reception in Centennial Hall lounge.

The season's first Artist Series will climax the Homecoming weekend on Sunday evening. Duo pianists Luboshutz and Nemenoff will give a concert in Knights Gymnasium.

Novelties chairmen Larry Stumme and Jim Adix report that the Homecoming buttons have already arrived. Other novelties for this year include bells, banners and balloons. Price of the Homecoming buttons has increased to 50 cents this year.

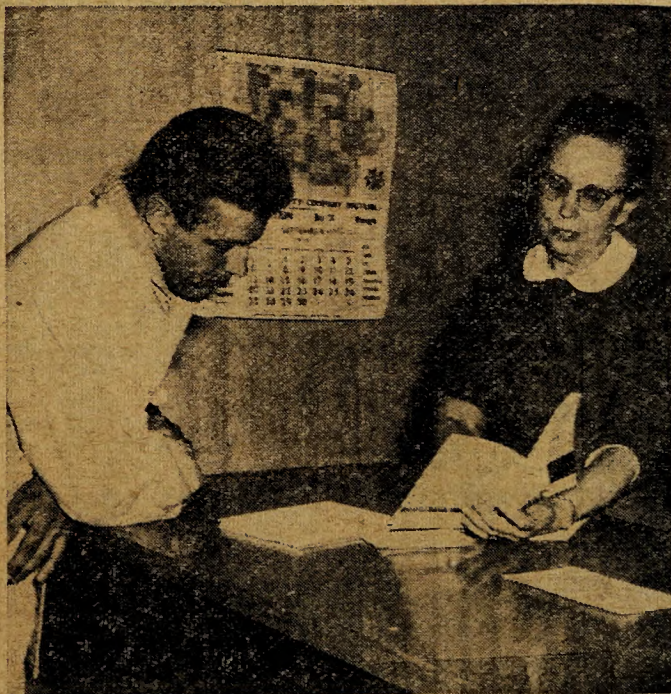

Ready To Ride

Buses have been chartered for students who were unable to hitch a ride by auto, in order that all Wartburgers have an opportunity to go to Luther tonight.

The buses will leave from Knights Gym at 4:45 p.m., as approximately five thousand people are expected at Decorah tonight for the important Knight-Norse clash. Game time is 7:30.

Wartburg students are invited to a social hour immediately following the game on the Luther campus.

Number 1,000

STUDENT NUMBER 1,000, Jim Currie of Madison, Wis., confers with Registrar Miss Mattie Harms. This week Wartburg enrollment topped the 1,000 mark for the first time in history. Approximately one thousand twenty students have registered.

By A Few Or By You?

"I now call to order the first Student Body meeting of the year."

Short, simple and sufficient. SBP Norm Litzner had the largest delegation of Wartburg students that ever gathered for a Student Body meeting before him when he stood triumphantly behind the convocation lectern, Tuesday.

You were there also, because you were ignorant — ignorant of the fact that the meeting wasn't a required convo. With a little ingenuity Litzner had a captive audience. A purely communistic but highly effective means of promotion and presentation.

Suffice it to say, had a hot topic come up, like, shall we say, the abolishing of Outfly, an extremely lively discussion would have ensued.

Had not students supposed that the gathering was a regular convo, we would have been right back facing one of Wartburg's perennial troubles — attendance at Student Body meetings.

In past years, government leaders have tried every possible means of attracting students to a meeting that is theirs and for their benefit. In 1955 the Solons even tried entertainment to draw in students.

Several important discussions are on tap for coming Student Body meetings — discussions which students will bemoan if things don't turn out to suit them. Yet, it would be a pretty safe wager that future meetings will not be attended like the one this week.

It seems incredible how under a democratic system, masses can sit back and let minority rule, paying little attention until enthusiasm is generated at election time. These masses in the past have made up Wartburg's Student Body, and the active members are in the minority.

Indeed it is wholesome to place full confidence and trust in your leaders. But then it becomes time to decide between student government by a few or student government by YOU.

1,000 And Still Going

Another milestone in the history of Wartburg College was reached Wednesday with the registering of the 1,000th student for the current year.

Since that moment, the figure has risen as more late-comers file through the registrar's office.

So we have reached a thousand. It really doesn't sound too significant until you look back just 15 years to the year 1944. In '44 a total of 157 students were enrolled in Wartburg.

In checking over the records, one can note a steady increase each year since that time. The question now is, *where will the line be drawn? At the present rate approximately 1,750 students will be enrolled by 1970.*

Pace has been kept up as yet. It will be interesting to look back 10 years from now and compare the progress during those 10 years with that which carried us to this milestone.

Nikita Taken By Choice

Nikita is here!

Met with a due amount of respect and approval by many Americans, his appearance nevertheless rubs skin in the wrong direction for others.

Demonstrations of violence have as yet been unreported. And we doubt if there will be any.

For the American people have been reared in a pool of neutrality. There is always an alternative and a preference for each segment of life in the United States.

It is doubtful if the Premier will be overly impressed by the corn-growing methods on Roswell Garst's farm or the foundries in Pittsburgh. Also, we'll bet that he won't be curious about the slum areas of our larger cities or the race problems in the South, which our authorities are carefully guiding him around.

What Khrushchev will take back to Russia with him will be a deep impression of the versatility of American thinking as he watches daily proceedings of ordinary individuals.

Plight of a freshman trying to get his two dates for initiation—the first girl he asked was married, the second was engaged and the third was a freshman without a beanie.

Annual math problem for the sophomores — how many freshmen will the fishpond hold at once?

Famous Quotes of the Week:

Quoted from Pastor Schick at the first meeting of the History of Israel course: "No question is stupid if it is sincere."
"You can't ever say everything about anything." — Dr. W. G. Fruenling, Psychology class.

JUST A MINUTE

Search For Width, Depth And Height Helped by Prayer Plus Faith In God

By Ray Ehrman

Ephesians 3:14-18: For this reason I bend my knees to the Father—that He would give you power according to the fullness of His glory; so that inwardly you would be strengthened through His Spirit — so that you may have full power to comprehend along with all the holy ones what width, length, depth and height is.

In the above verses, Paul has one important request for the Ephesians; that is, for one need of theirs to be taken care of. This need, that they find the source of power within themselves for acquiring knowledge, is basic. Today, also, many people are spending up to 24 years of their precious lives searching for knowledge.

Ehrman

Each year, when concluded, finds many seniors completing 16 years of this search. Every college student started this school year expecting to find more concerning "what width, length, depth and height is."

In praying for this particular need, Paul stresses that faith in God is the only truly acceptable work that one can do. Some may say that actually there is nothing necessary for a person seeking knowledge other than perhaps to pursue logical thinking. If he has this, he can face all problems. Paul, on the other hand, sees a greater need, namely, that God "give you power . . . so that you may have full power to comprehend." There is no mention of self-sufficiency here.

Is it not possible that the person who fails to see this inference may already have two strikes against him? Quite often the student who sees his fellow classmates as "stuck-up" is actually looking at a reflection of his all-sufficient self.

If we are to be students in the true sense of the word, we

Please Co-operate

Students attending the grid-iron conflict between the Wartburg Knights and the Luther Norsemen of Decorah tonight are urged to sit together on one side of the football field and to co-operate with presiding game officials.

Four to five thousand spectators are expected, which will make conditions unpleasant unless complete co-operation by all exists.

CAMPUS COMEDY

".....THEN WHEN THE AFTERNOON CLASS FOUND THERE WOULD BE A TEST BEFORE CHRISTMAS VACATION....."

Worship Tomorrow

CAMPUS CHURCH

Service at 9 a.m. (Knights Gym).

Speaker: Pastor Herman Diers. Theme: "Christ Speaks to Status Seekers."

Service at 8:45 a.m.

Speaker: Pastor Harold Roschke. Theme: "Christ Our King Rules."

Trumpet Extends Sympathy

We regret to inform our readers of the death of Prof. August Engelbrecht, Wartburg Seminary, Dubuque. Professor Engelbrecht was stricken ill with polio a short time ago and passed away early Thursday at University Hospital, Iowa City.

A graduate of Wartburg College, he has been a speaker here on many occasions. Last year he was one of the speakers at Spiritual Emphasis Week on campus.

Nephew of H. C. Engelbrecht, Wartburg business manager, he is survived by his wife and three daughters.

We extend our sincere sympathy to Prof. Engelbrecht's family.

The Editors

Mid Knight March

By Bob Solete

Like, cool man — The phantom writes again. Any suggestions will be appreciated. Too bad you don't know who I am.

Here's a new one: I understand that a credit in cross-campus hiking is being offered along with Dr. Sandberg's 9 a.m. Lit. class. At least the students thought that there should be as they trudged across campus in search of a new home earlier this week.

No, North Hall is not a hall of academic learning. Whatever is learned there is purely accidental.

From certain observations that have been made during the past week, it seems as though the downtrodden Squires aren't as downtrodden as would seem natural at this time of the year. Could it be that they too have discovered the banks of the Cedar or the deep dark secrets of Fuchs Lounge?

It seems as though the German Department is looking for a student who spent 45 minutes of his valuable time sitting in on a German class before he realized he wasn't taking German. Like, maybe he was confused or something.

Big game at Luther tonight — let's fire up, gang! Nip the Norsemen!

Question of the week: How's business, Krug?
Trend of the week: Go "Beat" Man, Go!

English Teachers Attend Meeting

Wartburg English Department was represented at a dinner meeting held Monday evening for teachers of the language arts.

Attending the meeting at the Black Hawk Hotel in Cedar Falls were Miss Erna Moehl, Miss Cora Ebert and Mrs. Margaret Garland.

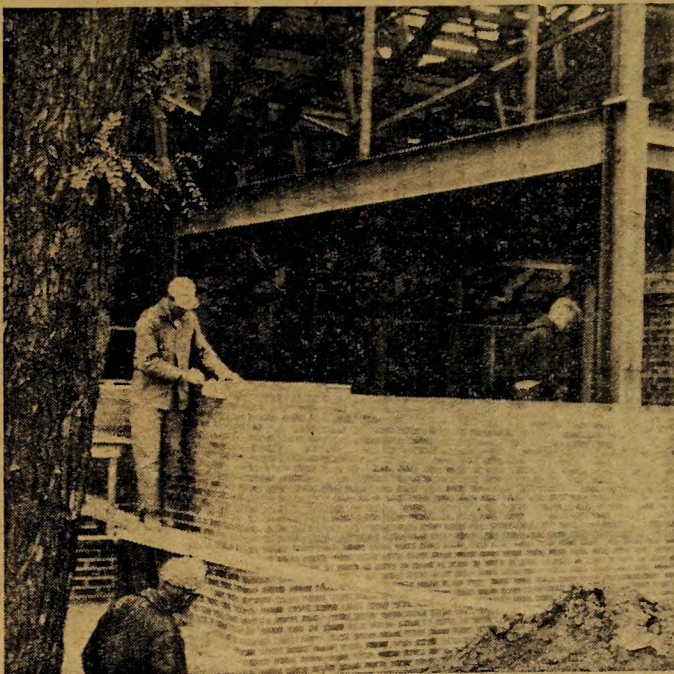

Featured speaker of the evening was Mrs. Louella Cook, former president of the National Council of Teachers of English. Mrs. Cook spoke on "Re-evaluation of Standards."

One point which she stressed was that teachers must encourage students, and other people as well, to admire excellence in scholastic work just as they admire excellence in athletics or music.

She also encouraged teachers to stress the positive, holding up to students what they may attain by doing their best work, instead of threatening with failure.

Teachers from a number of high schools in this locality and from Iowa State Teachers College also attended the meeting.

Mortar, Mortar!

RACING AGAINST cold weather, workmen lay the walls of the chapel-auditorium brick by brick. Electrical wiring and cement pouring must be done before the building can be enclosed — a necessity before the snow flies.

Moehl Studies Library

Miss Erna Moehl, Wartburg English Department, is currently leading a study on "The Effective Use and Development of Library Facilities at Wartburg."

In preparation for this study, Miss Moehl attended the North Central Association Workshop on Liberal Arts Education held for four weeks during June and July at the University of Minnesota.

Surveys of the use of the library, a careful check on the holdings in the various subject matter fields, the development of archives and the stimulation of greater use of the library, not only for academic, but also for general cultural and recreational purposes, as well as the development of the audio-visual and non-book phase of the library are involved in the study.

Science Heads Spend Summer Doing Research

Members of Wartburg's Science Department have returned to campus after spending their summers engaged in research work of one type or another.

Dr. Elmer Hertel, head of the Department of Biological Sciences, attended the Institute of Paper Chemistry at Appleton, Wis., for two weeks this summer. This institute was sponsored by the National Science Foundation.

Also sponsored by the National Science Foundation was a panel which met only the past weekend. Dr. Clarence L. Turner, visiting professor of biology, was a member of this 120-man panel held in Washington, D.C. Its purpose was to consider applications to the Summer Institute of the National Science Foundation.

The Summer Institute is held for high school teachers of Mathematics and Science to improve teaching technique and bring them up to date in subject fields. Those selected are supported, along with a maximum of three dependents, by the National Science Foundation. This support includes travel and living expenses. Last summer about three hundred were in the program. The National Foundation allots millions of dollars to the Institute.

Daniel Bardarik, of the Wartburg Biology Department, spent the summer at the summer camp of the University of Pittsburgh Zoology Department doing research for his doctor's thesis on Plant Bio-chemistry.

Dr. John J. Ellis served as assistant Mycologist at the Illinois Natural Historical Survey on the campus at Urbana. In this capacity he was in charge of receiving and cultivating from the tree specimens, material used in identifying tree diseases.

PERSONAL IMPRESSIONS

Choir Specializes In Foreign Fare

By Meredith Stuhmer

Bicycles, small foreign cars, sparkling windows framed by snow-white curtains, friendly people, narrow houses, canals and more bicycles—these were some of the things which greeted us, the Wartburg Choir, as we landed in Amsterdam June 1.

In Holland we had to be careful that we weren't run over by the myriads of bicycles as we crossed the street. It was there that we were first confronted with strange currency and billboards we couldn't read.

Choir Goes Dutch

Traveling in our luxurious Dutch buses with huge windows, fresh flowers in vases each day and even a pop cooler was a real treat. We learned to love Tony and Chris, the best bus drivers on the Continent, and to appreciate their washing the buses every day.

"Guilders" were exchanged for "marks," and amateur German scholars practiced their "bitteschoens" as we crossed the border to Deutschland. There we experienced the heart-breaking sight of bombed-out shells of homes and churches; but everywhere the industriousness of the German people was evidenced in the vast amount of reconstruction being done.

Modern opera houses, apartment buildings and shopping centers stood next to ancient cathedrals and "rat-houses" which had been restored in their original architecture. Medieval fortresses, monuments and city walls served to remind us of the antiquity of this country and the youthfulness of our own.

Our time was not spent entirely giving concerts and on the buses, as we had opportunities for sightseeing, too. It was in Coburg that we really saw a fairy-tale castle. Life-size oil paintings, Dresden chandeliers, suits of armor, animal horns, valuable old furniture and works of art were some of the interior furnishings. As guests of the Duchess of Coburg, we enjoyed a royal tour and viewed East Germany from the windows of the buses.

Hosted In Homes

We were more fortunate than most tourists in that we were privileged to meet the people

in their own homes as their guests. Generally, our hosts were very kind to us and went out of their way to make us feel welcome. Many times they gave us gifts of candy, fruit or souvenirs of our visit with them.

Although we were paired off with roommates, we often went singly to a home. Those who spoke German had an advantage, but even those of us who knew only a few words and phrases learned to understand and make ourselves understood with the use of a handy pocket dictionary.

It was very interesting to learn how these people think and feel and to exchange ideas with them. Many of them had fled from the East Zone and could tell stories which seemed unbelievable but were actually true. We felt a kinship with these people and will remember their friendship for a long time.

We learned to live under many varied conditions. Many times teenagers guided us to our homes, perhaps a mile from the church, or we rode the crowded tram.

We climbed steep stairways to small flats, stayed in the spacious home of a burgomeister or visited in a parsonage. We slept under soft, cozy feather comforters and awoke to the words "Guten morgen! Schlafen Sie gut?"

Water's Fine

Hot water was often a lux-

ury, and we learned to wash ourselves, our hair and our clothes in cold water. Operating the gas water heater above the bathtub without blowing it up and singeing one's eyebrows proved difficult for some.

We didn't always stay in homes. Several times a hostel was our lodging for the night, especially in Denmark and Belgium. We usually slept on a straw mat on dormitory-style bunks.

In Denmark we were the guests of Ambassador Val Peterson, former governor of Nebraska, at the American Embassy. Popcorn was served to us, among other things, and the bowls were soon empty.

We were in Copenhagen on Midsummer Night's Eve, a great celebration in Europe. Bonfires could be seen blazing all over town as we drove to a small Lutheran church, where the children hung paper lanterns in the trees and the women sat on benches smoking their cigars. From there we went to Tivoli, a large amusement park, where witches were burned in effigy and fireworks sparkled in the sky.

Crossing the English Channel was a hectic experience, as we had to remove all our luggage and accumulated souvenirs from the buses and carry them to the ferry. The trip across the Channel was quite smooth, however, and no one became seasick.

It was a good feeling to be

able to read billboards and signs and understand the language again, but driving on the left side of the road was a nerve-racking novelty.

Most of our stay in England was spent at Hothorpe Hall, an old estate north of London, owned by the Lutheran Church. Here we were really one big happy family and shared educational facilities. A communion service was held in the chapel for which Wartburg College had furnished the altar, lectern and baptismal font.

Each Day Another City

Each day we drove by bus to a different city for our concerts, which were given mainly to Lutheran refugees. After an afternoon concert for school children in Market Harborough, we were followed all over town by young autograph-seekers.

Singing for Wayne Stumme's ordination in Corby was a memorable experience. Wayne is a Wartburg alumnus and brother of senior Larry Stumme. Our concert finale was sung in a Swedish Lutheran church to mixed nationalities in London on July 4.

The entire five weeks was an experience we will never forget—one which broadened our interest in foreign affairs, but made us more thankful for the privilege of living in the United States.

W. Liemohn, Former Wartburg Great, Is Knight Coach In Campbell's Absence

By Tom Kuckkahn

A new but familiar figure will appear on the Wartburg sports scene this year in the person of Wendell (Wendy) Liemohn, former Wartburg football great. He will be replacing Wartburg track coach Bob Campbell, who will be completing work toward a Ph.D. at SUI.

Liemohn is at present engrossed in his duties as assistant football coach. He will concern himself primarily with the ends, the position at which he starred as a Wartburger a few years back, but will also devote time to the defense in general.

When basketball season commences, he will be coaching in some capacity, but as of now he is unsure of his position. Next spring Liemohn will be assistant to head track coach Dr. Ax Bundgaard.

He is teaching freshman P.E. courses, archery and is intramurals faculty adviser.

Father-Son Team

Liemohn, 25, is a native of Waverly and son of Wartburg Choir director, Dr. Edwin Liemohn. During his high school days he excelled in football, basketball and baseball.

"Wendy" is a modest man. If you want to acquaint yourself with some of his accomplishments, it would be best to consult the record books. Here is the tale they tell:

Alma Mater Here

Liemohn graduated from Wartburg in 1956. While at Wartburg he was a member of the football, basketball and track squads. He was a standout in football as an end, lettering all four years of college. In his sophomore year he caught 24 passes for a total gain of 585 yards and six T.D.'s.

In his junior year he caught 31 passes for a total gain of 478 yards and 2 T.D.'s. "Wendy" was injured his senior year, but played despite the fact that he wore a cast on his arm. He played a prodigious part in Wartburg's defensive alignment, according to Knight Coach Norm Johansen. He was named to the all-conference team his sophomore, junior and senior years, and as a fresh-

BACKING THE practice dummy, Assistant Coach Liemohn encourages the Knights in preparation for the football season.

man he made the second team all-conference. He also lettered in basketball and track.

Liemohn coached minor sports in the service. He was also named "most outstanding player" of the Navy Red Feathers Bowl game in October, 1957.

Skunks Swabbies

"Wendy" led his Norfolk Tars to a 6-0 upset victory over Navy Amphibious. The Amphibious crew was rated number two in service football. Following the game, Liemohn was awarded the Navy Guide trophy for his outstanding contribution to the service pigskin sport.

The amiable Liemohn feels that Wartburg should again be a strong contender for first place in the conference. He added that although Wartburg lacks depth at the guard and tackle spots and is a small team, the desire and spirit of the squad is very good.

"Wartburg's experienced backfield and ability to pass is its strong point," said Liemohn.

The new coach feels that all the games will be tough this

year, but that Luther, the foe this evening and runnerup to the Knights last year, will probably be the most formidable.

Liemohn is currently in the active reserve. This requires him to attend weekly meetings and embark on a summer cruise. His future plans? To continue coaching.

RAPID RUSHES BY —

'The Horse' Helps Pull Victory Wagon

By Charles Jepsen

Shades of olden days reappear as "The Horse" carries the Knights into battle.

"The Horse" referred to is Larry Raper, 200-pound fullback from Fontanelle, on whose legs depends much of Wartburg's gridiron ground attack.

Raper was a three-sport letterman at Fontanelle High School, where he earned four letters in football and baseball and two in basketball, in addition to being active in other phases of high school life.

Letters At Half

During his freshman year at Wartburg, Larry earned a letter at a halfback position.

Switched to fullback in 1957, Raper became the leading rusher for Coach Norm Johansen's Knights. He gained 415 yards in 107 attempts, which was also good enough to rate him second in total offense. Larry paced the Knights in scoring that season with five touchdowns. All this was done despite the fact that he missed three games because of injuries.

Strongest Back

Last season Raper headed a strong corps of backs who led the Knights to their first Iowa Conference championship. He again led the Jomen in ground offense, gaining 498 yards in 102 attempts, an average of 4.88 yards per carry. He also was second in total offense and finished in the runner-up position in scoring with 24 points.

Larry has been married for four years and maintains a year-round residence in the trailer court. Despite carrying a 16-hour class load and attending football practice daily, Larry works 40 hours a week at the Carnation Milk Company here in Waverly and is a full-time employee at this plant during the summer months.

Future Mentor

Raper, a physical education major, hopes to coach football and teach in a small high school

after his graduation this spring. At the present time he is student teaching in the Phy Ed Department at Waverly High School. Second semester he will teach biology, his minor subject.

Just as the Knights of old needed a horse on which to ride, so the Wartburg football team needs Larry (The Horse) Raper's line thrusts, which have become a vital constituent of the Wartburg offense.

TEMPORARILY forgetting football, Larry Raper tackles his studies in his trailer court home.

Runners Bow In Opener

Wartburg's cross country Knights bowed to Grinnell 16-45, in their season opener yesterday in a three mile race at the Waverly golf course.

Drizzling rain dampened the ground but not the spirits of the Wartburg and Grinnell lads.

Grinnell man Lewis Sachs led the pack with a quick 16:26, followed by John Thompson (G) who ran a fast 16:28.

Top ten men include the two listed above and Art Risser, 16:36 (G); Keith Kester, 16:43 (G); Marvin Corporan, 16:56 (W); Lowell Lutter 17:05 (G);

Don Dietzler, 17:25 (W); Paul Risser, 17:42 (G); Ron Dorr 17:50 (G); Clint McLagan 18:18 (W).

Freshman Uwe Strehmel recently joined the squad and made an appearance in this meet. Lloyd Casey did not run because of a leg injury.

The cross country men have been working out every week day night at 4 p.m. at the baseball field and the golf course.

Last year Grinnell clipped Wartburg in another three miler with a 17-48 score. Don Dietzler ranked fourth in that meet.

AND THEY'RE off! Wartburg and Grinnell runners begin three-mile race at Waverly golf course yesterday.

Picking Up Splinters

By Jim Adix

When Student Body President Norm Litzner claims possession of the long-elusive battle-axe today, a new era begins.

For the first time since agreements were made between Wartburg and Luther establishing the traveling trophy, replacing various and sundry articles acquired by victorious students in search of spoils, we will find it safely hidden in the confines of Knights Gym.

The idea of conceiving some sort of traveling prize originated back in 1957, and after going through the channels of student government, the present arrangement was made. The system as it is now: For each major sport, the winner is awarded 100 points. This covers football, basketball and baseball. When two contests are played during the same season, 50 points per game are awarded. An additional 50 points per contest are awarded for the so-called "minor" sports — wrestling, tennis, track (dual meets) and golf. Cross country may be added this year, pending a new contract, which is in the making.

An additional 100 points are given to the school showing the better sportsmanship, judgment being passed by the two SBP's and the deans of students. Many opinions exist that this is too high.

Recently, however, there have been rumblings from the home of the Norse that the sportsmanship award should be raised to 200 points. It would appear that a system such as this is out of the question. See what could happen? One school or the other could lose a football game, two basketball games and a baseball game and still conceivably win the prize if it has even a small winning margin in minor sports!

At the risk of being forced to forfeit my typewriter, I suggest that perhaps Wartburg and Luther should adopt a special sportsmanship prize — perhaps an engraved crying towel.

Incidentally, our Knights will be seeking their first victory against the Norse since 1953, when they turned the trick 14-6. Pre-season dope-sheets seem to give the nod to the victor of Saturday's contest as the favorite in the Iowa Conference race, as was the case last year.

We like to play 'em one at a time — right, Jo?

Parting shot for the week: Don't wait to read in next week's Trumpet how the game turned out — Go, man, Go!!!

Faculty Accepts Alpha Challenge For Outfly Contest

Come Outfly, a sporting event which wasn't listed on the calendar will come off on the Wartburg campus.

Alpha Aristocrats officially challenged the Wartburg faculty to a game of softball, and the instructors accepted the challenge.

Rudy Bjorgan, history prof. and a sportsman about campus, will handle the reins of the faculty.

Bjorgan has as yet not announced a starting line-up for the contest.

"We'll be there," Bjorgan

said yesterday, declining to comment on his squad roster.

It has been reported that there are a few hold-outs in the faculty camp as yet, with only a few days, a week, two weeks — who knows — before the battle is staged.

When game day arrives, though, the faculty roster will undoubtedly be dotted with such old veterans as Dean of Students Earnest Oppermann, Athletic director Ax Bundgaard, coaches Norm Johansen and "Wendy" Liemohn, Prof. Waldemar Gies, Rev.

E. W. Schick, Dr. Karl Schmidt, Prof. Melvin Kramer, Prof. Vern Lesterud, etc., etc. and etc. Rookies expected to crack the lineup include Duane Schroeder of the PR Dept. and Prof. Charlie Swensen.

The Aristocrats, currently are undergoing a stiff training period. (Which means no trips to Roy's). Student Body Pres. Norm Litzner and Trumpet Editor Wilbur Flachman will make up the battery for the Alpha boys.

Johansen's Gridiron Champs Begin Title Defense

Powerful Luther Is Host Tonight

By Don Bathgate
Trumpet Sports Editor

Wartburg Knights will open their football season tonight against Luther College in Decorah in what should be the most important game in the Iowa Conference.

Luther, a pigskin power for many years, will be out to crush Wartburg's hopes of another Iowa Conference championship. In a game that is scheduled to start at 7:30 p.m., the Norsemen will be going after their 11th victory over Wartburg in 17 meetings. Last year the game ended in a 6-6 deadlock.

Johansen's Lip Tight

Coach Norm Johansen, still not overly optimistic about Wartburg's chances to repeat as Iowa Conference champs, reports that the squad is in excellent shape and that the offense is stronger than last season. Work this week was mostly centered around the defense

Johansen

and also included two workouts under the lights to get adjusted to night ball.

The 33-man traveling squad left for the Norseland this morning and a large part of the student body is expected to follow this afternoon.

Luther will be the top team in the weight column with a much bigger line. Wartburg's top man will weigh only 195.

The Norsemen opened their season last Saturday by losing to Wisconsin State at LaCrosse by a 14-6 score. Wisconsin managed to pick up all its tallies in the final period.

Starting Line-up Set

According to Coach Johansen, Wartburg's starting squad will consist of Bob Mueller at left end, Chuck Wallin at left tackle, Jim Arjes at left guard and Larry Collmann at center.

Don Sahling will be at right guard, Ron Krueger at right tackle, and Chuck Nichol at right end.

The backfield will be made up of Marv Ott at quarterback, Tom VanWyngarden at left half, Dave Jensen at right half and Larry (The Horse) Raper at fullback.

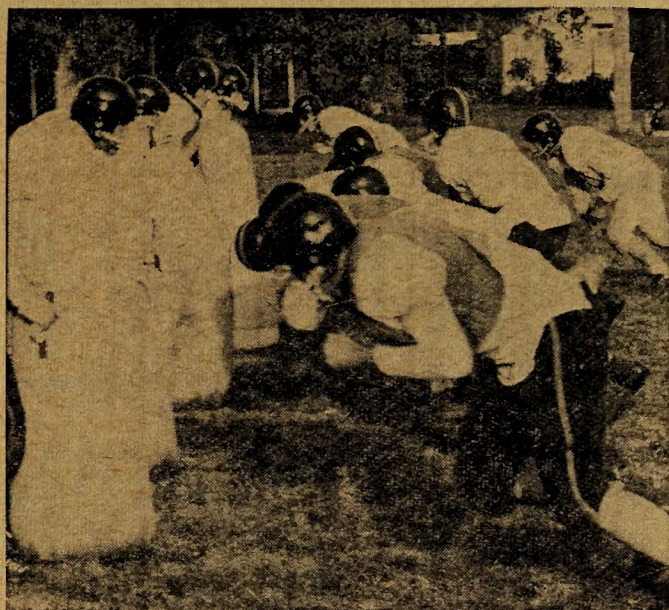

Defense Ready

Wartburg's defensive changes will be Bob Niemann replacing Raper, Don Sowers instead of Sahling, LeRoy Boseneiler in for Ott, and Ray Boyens will exchange with Jensen.

Chuck Wallin is slated to do the kicking for the Knights, and Wayne Dreier will be coming in to do the punting. Ott and Jensen will be handling the extra point duties.

Action For Frosh

Freshman prospects expected to see plenty of duty will be

BARRELLING THEIR way through the practice line on their way to the Iowa Conference championship are the Wartburg Jomen. According to conference observers, tonight's game with Luther may well be the deciding contest in the championship race.

Phillip Parker at defensive end and John Richert at center.

Coach Johansen says that the Knights will open the season with an empty injury list. Luther's men, too, will be in good physical shape as they picked up only a few bruises in their 14-6 defeat.

Norses To Note

Players to watch on the Luther squad will be Brad Hustad, two-time All-American ground gainer, who will be in the line-up at fullback, and Al Fedge, quarterback, who can thread a needle from any part of the field.

John Pake will be seeing duty as halfback, where he gained recognition last year by being

the conference's scoring leader. All three are seniors. The junior to watch will be Bill Bailey at offensive end and defensive halfback. He is rated by many coaches as one of the finest ends in the loop.

Sparking The Victory, Six Lead Wartburg Cheering

With the U! RAH! RAH! of cheerleading tryouts, Wartburg College again begins its athletic season.

Elected at Tuesday's convocation, these are the people who are charged with maintaining order and unity in the Wartburg spirit:

Diane Daggett, a sophomore from Sioux Falls, S.D.

Jan Knoll, a sophomore from Mason City, a member of last year's cheerleading squad.

Jean Zell, a sophomore from Cavour, S.D.

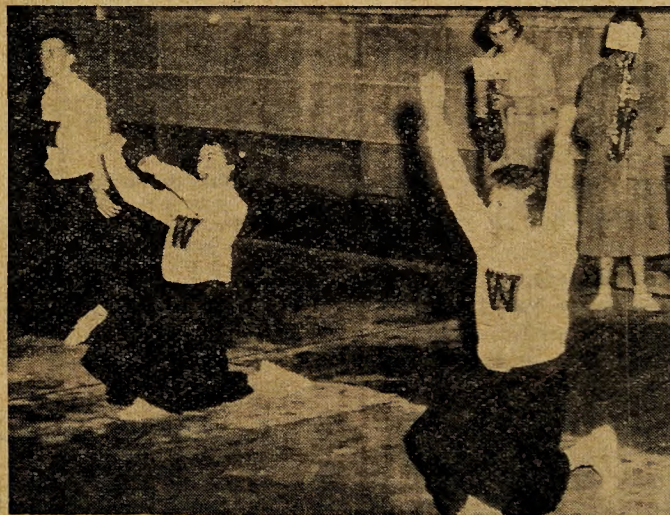

Joyce Speicher, a senior from Waterloo, also a member of last year's squad.

Darrell Briggs, a sophomore from Plainfield, a member of last year's squad.

Bob Moeller, a junior from Dayton, Ohio, also a member of last year's squad.

Tryout director, Miss Adeline Langrock, stated that this year provision will also be made for B-Team cheerleading.

"Although freshmen were not allowed to try out for cheerleading this year," she went on to say, "they are still welcome to stay out and learn at the clinics."

RAH! YEA, Knights! Cheerleaders Darrell Briggs (left), Diane Daggett (center) and Jean Zell get the spirit at last night's pep rally.

Parsons Is Foe Next Saturday

Wartburg will host Parsons College of Fairfield next Saturday in Schield Stadium at 1:30 p.m. in the Knights' first home game.

Parsons will be under new leadership as Gary Nady takes over the helm of the Wildcats. Last year the Knights edged Parsons by a 7-0 count. Wartburg holds a 6-3 edge in overall play with the Parsons school.

Parsons is expected to have some sweeping changes with a brand new coaching staff and a new offensive system. Coach Nady had 15 lettermen returning to build his squad.

Terry Heil, a hard-running halfback, will team up with Jim Kettner, Bob Cain, Don Butterbaugh and John Bankus to supply Parsons with a promising backfield. Sophomore Harvey Jackson is expected to be the big punch for the Wildcats.

Heil was the top ground gainer for Parsons last year with 455 yards in 75 carries. However, Joe Patava, sophomore end who led the team in scoring with 7 TD's and 14 points after touchdowns, recently transferred to Drake.

The Kelly Greens rounded out last year's season with a 4-6 record.

Knight Talented

Jim Borcharding, sophomore from Sumner, demonstrated some more of his baseball talent last week, this time in amateur baseball tournament play.

Borcharding helped pitch Dysart to the finals in the Northwest Regional Tourney of the American Amateur Baseball Congress. The Dysart squad dropped the championship game to the Cheney Studs of Seattle, Wash.

Artist Series Features Five; Pianists Play First

By Linda Mugridge
Trumpet Managing Editor

Five presentations, ranging from a lecture on Russia to the Robert Shaw Chorale, comprise Wartburg's 1959-60 Artist Series.

Keynoting the Series on Oct. 11 are Luboshutz and Nemenoff, duo-pianists. Other presentations are the Philharmonica Hungarica Nov. 5, Fred Waring and His Pennsylvanians Nov. 15, lecturer Irving Levine Jan. 17 and the Robert Shaw Chorale Feb. 15.

"This year's Series is the best ever. There is no question about it," said Dr. A. W. Swensen, chairman of the Artist Series Committee for many years.

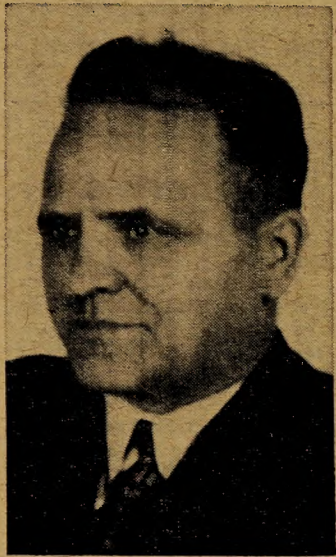

Pianists End Homecoming

Homecoming activities end with Pierre Luboshutz and Genia Nemenoff, only duo-pianists to appear as soloists with Arturo Toscanini. Familiar guest artists with every leading American orchestra, they have appeared again and again with the Philadelphia and Boston Symphony Orchestras.

Luboshutz and Nemenoff, who in private life are married, early developed a unique style in both classical and contemporary music. Now on their annual North American concert tour, they have performed in Europe, the Near East and Africa.

Orchestra Has 80

The 80-piece Philharmonica Hungarica, which has given concerts in such cities as Vienna, Rome and Berlin, is currently on its first American tour. One of Europe's most famous orchestras, it is composed of artists who fled their homeland to the West during

Dr. Swensen

the Russian purge of Budapest in 1956.

Directing the group is its founder, Zoltan Rozsnyai. Formerly musical director of the second largest opera in Hungary, Rozsnyai won a prize in 1956 at an international conductors' conference in Rome.

Many members of the orchestra have also been prize-winners at international competitions.

Waring Goes Hi Fi

"Hi Fi Holiday" is the title of the Fred Waring Production. An ultra-modern musical, the show swings from Broadway hits to rock and roll to ballads.

For 30 years the Fred Waring sound has been an integral part of the American musical scene. Recorded countless times, the sound has also spread through the use of special Waring arrangements by choral groups throughout the country.

NBC news correspondent Irving R. Levine, first American reporter granted accreditation in Russia since 1947, will lecture on the Soviet Union. An

extensive traveler in Russia, Levine has done a number of special television shows on that country.

Levine Covers Moscow

Levine's work in Moscow has won him many awards, including the Overseas Press Club honor for the most outstanding radio and television reporting from abroad in 1957, the Headliners Award and a citation from the National Junior Chamber of Commerce in 1956 as one of the 10 Most Outstanding

Young Men in America.

Rounding out the year's program is the Robert Shaw Chorale. Currently on its 12th annual concert tour, the Chorale will visit 25 universities and colleges this year.

The group will perform Johann Sebastian Bach's B-Minor Mass, the first time in musical history that this work has been presented on tour. Complete Chorale personnel includes a 40-voice chorus and a 30-piece orchestra.

Two Dormitories Choose Officers

With the elections held last Monday night in Wartburg Hall and Clinton Hall, all dormitory officers for the present school year have been elected. Other student residences elected officers last week.

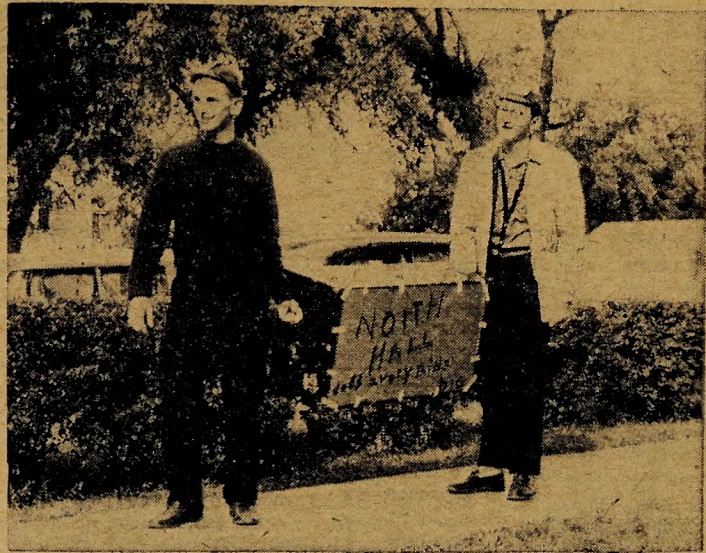

Sophomore Garnet Hansen was chosen president of Wartburg Hall. Carol Froehlich, sophomore, is vice president; Bonnie Lambert, sophomore, treasurer; and Carol Klaassen, sophomore, secretary. Fire marshal is Sandy Kucera, also a sophomore.

Officers elected in Clinton Hall are Don Bathgate, senior, president; Eddie Skay, junior, vice president; Dave Doerring, junior, secretary; and Milburn Goetz, sophomore, treasurer.

District League Executives Meet

Executive committee members of the Iowa District Luther League will meet today and tomorrow on campus. Main matter for discussion will be items involving the coming merger of the ALC, ELC and UELC.

Dean Phillips, Hampton, is district president; Phillip Truckenbrod, Wartburg freshman, is first vice president; John Stumme, Muscatine, serves as second vice president; Audrae Stoeber, Rock Rapids, is treasurer; and Beverly Wiedler, Wartburg freshman, is secretary.

LUGGING A trunk around campus in accordance with initiation rules requiring the carrying of suitcases, two freshmen uphold the North Hall tradition of doing everything big.

Chellevoid Will Nominate For Danforth Fellowships

President C. H. Becker has named Dean J. O. Chellevoid liaison officer to nominate two or three candidates for first-year fellowships to be given by the Danforth Foundation.

The Danforth Foundation, an educational foundation with headquarters located in St. Louis, Mo., annually invites applications for the class of Danforth Fellows, who are selected from the ranks of college senior men and recent graduates who are preparing for a career in college-level teaching. These appointments are basically a system of assistance geared to the financial needs of the recipients.

Maximum grant for single Fellows is \$1,500 plus tuition and fees charged to all graduate students, while for married Fellows a stipend of \$2,000 is allowed plus \$500 for each child. Students with or without financial need are invited to apply.

A Danforth Fellow is allowed to carry other scholarship appointments such as Rhodes, Fulbright, etc. He is appointed a Danforth Fellow without stipend, however, until the other relationships are completed.

Qualifications for candidates academic ability, integrity and

are as follows: outstanding character and serious inquiry within the Christian tradition. All applications, including recommendations, must be completed by Jan. 31, 1960. Any student wishing further information should get in touch with Dr. Chellevoid.

Wedding Bells Ring Once More

Summer weddings, past and future, play their role in the Wartburg romantic scene.

Darwin Oehlerich, sophomore from Keystone, married Ruth Schminke of Van Horne Aug. 15. Mrs. Oehlerich is presently working in the Wartburg Public Relations office.

Wanda Karsten, senior from Fort Riley, Kan., recently became engaged to Gary Hummel, senior from Garrison, N. D. The couple is planning a summer wedding.

Panel Forum Meeting Set For Thurs. Night

An open forum discussion is in the offing for all students Thursday night in Fuch Lounge at 7 p.m.

Topic of the discussion will be entitled, "This Is The Inspired Word Of God." Jim Eisenger, senior will lead the group.

A panel which includes Dr. Clifford Hanson, Philosophy Dept., Prof. E. W. Schick, Christianity Dept., Rev. Lowell Marx, pastor of First Baptist Church in Waverly and pastor Harold Roschke of St. John's Lutheran Church, Waverly, will assist in the discussion.

'New Look' Adopted By Musical Groups As Choir, Singers, Band Add Members

Wearing of the green has penetrated the ranks of Wartburg's three musical organizations.

Through auditions held last week, the Wartburg Choir has added 34 members, Castle Singers 35 and Wartburg Band 41, according to the directors. Auditions are still being heard for Band.

Joining the Wartburg Choir as sopranos are freshmen Carmelia Peters, Phyllis Remmers, Oline Bjoerud, Emma Jordan; sophomores Andrea Richardson, Marianne Dirks, Diane Hart, JoAnne Niehaus, Carol Ann Nitz, Jean Semmler; and juniors, Marian Stubenvoll and Janet Rueber.

Choir Adds Altos

New altos are freshmen Nancy Holzrichtel, Barbara Kumpf, Joyce Porath, Mary Ross, Virginia Dornath, Vivian Johnson, Beverly Weidler, Claudette Zwicker; sophomores Sandra Bany and Marlys Werning; and junior Karen Bargman.

Four freshman tenors, Carl Jech, Dennis Yeager, John Dierks and Dave Nickel, were added to the Choir. New basses are freshmen Fred Dierks, Arlyn Fuerst, David Garrels, William Wesender and David Woodard, sophomore Paul Bauman and junior Bruce Bergquist.

Singers Grow

Additions to Castle Singers include freshmen sopranos Karen Lee Arns, Ruth Olson, Carolyn Kaiser, Adele Borchardt, Sharon Kay Howard, Rebecca Roever, Linda Nelson, Louise Loots, Joan Kreiter and Marie Shaffer and sophomore Marilyn Rugroden.

Alto singers are freshmen Karen Vogel, Jan Wegenast, Marlys Zander, Ruth Staehling, Dorothy Moeckel, Loretta Bahnsen, Julianna Jahr, Sharon Hoffman, Rita Johnson, Joyce Wonsmos and senior Janiece Eaton.

Holding down tenor positions are freshmen Ron Burrichter, Douglas Aden, Ervin Hesterberg and Robert Post. Freshmen Jon Gruber, Donald Simonson, Einar Johnson, Arlen Schwerin, Howard Oberheu, William Burcham, sophomore Luther Lehmann and juniors Peter Weller and Darrell Schlange round out the bass section.

Horns Do Blow

Instrumentalists who have thus far been added to the

IN STEP with the season — the football season — Wartburg's marching band gets off on the right foot. The band will appear at all home games in addition to the Upper Iowa duel at Fayette Oct. 4.

marching band include freshman flutists Vivian Johnson, Julianne Mensing, Judy McDonald and Muriel Stuepfert. Sophomore Mary Markle will play oboe and freshman Karen Hardwig will play bassoon.

Filling out the clarinet section are freshmen Linda Blobaum, Marjorie Johnson, Patricia Johansen, Emma Jane Jordan, Janice Klingman, Diane Spinden and Judy Hammond. New saxophonists are freshmen Marilyn Schlake, Carolyn Staude and Carmelia Peters.

Trumpets Sound

New trumpet players are freshmen Don Keene, James Voss, Dennis Wesenberg, Maurice Hagen, Dorothy Nielsen, Bill Mitchell and Ken Stob. Freshman Michael Sherer and sophomore Gordon Nipp have joined the French horn section.

Playing trombone are freshmen Arlyn Fuerst, Lester Justman, Sandra Eppler, Edwin Reinking, Verna Hass, Eldon DeWeerth, sophomore Ed Knop and juniors Fred Stark and Ralph Hicken. Melvin Epley, freshman, and Bill Liedtke and Vernon Schultz, sophomores, have joined the baritone section. Freshman Phil Borleske is playing bass horn.

Members of the percussion section are freshmen Lyn Lienhard, Jill Fox, Lane Ketelsen and Phil Truckenbrod.

Book Published— 'Singing Church'

"The Singing Church," by Dr. Edwin Liemohn, head of Wartburg's Music Department, was released recently by the Wartburg Press, Columbus, Ohio.

This is Dr. Liemohn's second book on church music and is a companion volume to his book "The Chorale Through 400 Years," which was published by the Muhlenberg Press, Philadelphia, Pa., in 1953.

Book Acclaimed

Of this latter volume, the reviewer for Christian Century wrote, "This is the best book I know which gives the background of Protestant hymnody and its European development."

While "The Chorale" deals primarily with the Lutheran Chorale, "The Singing Church" deals with the entire area of congregational singing with particular emphasis on the transition from psalmody to hymnody in the various branches of the Reformed church outside Lutheranism.

U. S. Scanned

Although much of the book deals with hymn singing in Europe, considerable space is given the American scene: New England psalmody gradually giving way to the hymn singing of the Germans and Swedes who settled in the Philadelphia area.

The use of the organ and the lack of it in the musical part of congregational worship is also pointed out throughout.

"The Singing Church" is on sale at the college bookstore.

Chapel-Auditorium Moving Forward

As chilly weather settles down over the Wartburg campus, those involved in the construction of the new chapel-auditorium will continue work with plans of enclosing the

"HIGH SCHOOL was never like this," say freshmen Don Keene (center) and Phil Truckenbrod as they make like the Chattanooga shoeshine boy. Freshman initiation is swinging along with a bit of extra prodding from the sophomores. One of its annual features, "Hellth Daze," occurred yesterday.

Education And Worship Headline Convo

"Four R's of Higher Education" and a worship service are on the convocation agenda next week.

Dr. William C. Lange, dean at Iowa State Teachers College, Cedar Falls, will speak about education Tuesday. The Thursday service will be conducted by Wartburg Chaplain Herman Diers.

According to Chaplain Diers, Tuesday convocations will generally be academic in nature, whereas the Thursday sessions

will be given religious emphasis.

structure before winter arrives.

The Rev. Martin Ackermann, Wartburg development director, said, "The enclosing of the chapel is being somewhat delayed until electrical work in connection with the chapel lighting can be completed, but progress is being made."

Contractors hope that all necessary electrical work and laying of concrete is finished before the onset of colder conditions, according to Ackermann.

Family Life Conference Slated For Oct. 8, 9

Five hundred MORE people on campus! On Oct. 8 and 9 people from Iowa and surrounding states are expected here to attend the Family Life Conference being sponsored by Wartburg College and the American Social Hygiene Association.

Speakers on the program include Harold Haas, executive secretary of the Board of Social Missions of the United Lutheran Church; Dr. Evelyn Duvall, consultant on courtship, marriage and family life in Chicago; Dr. Robert J. Havighurst, professor of education at the University of Chicago; Dr. Carl Reuss, executive secretary for the Board of Christian Social Action of the American Lutheran Church; and Dr. David Fulcomer, counselor at Iowa State University, Ames.

Theme of the meeting, "The American Family: The Joint Responsibility of Religion and Education," proposes to interest people in applying creative family living to their families in conjunction with church and school.

And
Shirley Behrends

USHER IN SEASON

Ushers Club will hold a brief but important organizational meeting next Wednesday night in Luther Hall, Room 101. The meeting will be held immediately following second chapel. Everyone is welcome, they say. The club is especially in need of some fellows.

PICNIC FOR LSA

Lutheran Student Association will hold its first meeting of this year tomorrow at 5 p.m. All interested students are asked to meet in front of Old Main. A picnic plus recreation is planned. The closing program will be led by Pastor Robert Dell.

SCIENTISTS CONVENE

Next Tuesday the Science Club will hold an important organizational meeting. All Science Club members meet in Grossmann Lounge at 7:15 p.m.

EDUCATORS ARE READY

Student Education Association held its first meeting of this year last Monday in the Fine Arts Building with 122 students in attendance.

Delbert Gilbert, vice president, introduced the guest speaker, Miss Glenda Mabrey, a visiting teacher from the Waterloo Public Schools. She spoke about the Waterloo Guidance Program and its setup. Miss Mabrey also explained about her work with truant children and their emotional and physical problems.

Delores Rieck, president of SEA, conducted the business meeting in which the following officers were elected:

Rieck

Karen Bargman, secretary; Tom Maik, treasurer; Janice Huggans, publicity chairman; Irene Stier, membership chairman; and Carol Baer, and Gary Poorman, Homecoming float co-chairmen. Miss Stella Austerud and Dr. Herbert Max were re-elected as faculty advisers.

Dues will be collected in the lunch lines Monday, Tuesday and Wednesday.

LOOK AT BUSINESS

Next Monday the Business Students Association will hold its first meeting in the Wartburg Hall Lounge. All interested students are welcome to come, according to Bruce Butzlaff, publicity chairman.

SACHS STARTS THUR.

Hans Sachs will open its first meeting of the year next Thursday. Exact time will be posted. Students will meet in Old Main, Room 100. A good program is planned, according to President Ed Scharlau.

LETTERWINNERS MEET

The "W" Club, Wartburg lettermen's association, held its first meeting of the year last Thursday night in the gym.

ADDRESS BY DIERS

Mission Fellowship will meet next Monday night in Clinton Hall Lounge at 7:30. Pastor Herman Diers, chaplain, will speak on "Home Missions."

SENIORS TO GATHER

Senior class will meet Wednesday night at 7:30 in Old Main, Room 100.

Included on the agenda will be a speech by Dr. Gerhard Ottersberg, head of the Division of Social Studies, on scholarships, fellowships and assistantships for graduate work.

Officers will be elected and a class adviser chosen. Other important business will be discussed, according to Gary Hummel, president.

JUST FOR THE GIRLS

Pi Sigma held its annual tea for college women last Sunday with three-hundred fifty in attendance. Pi Sigma meets once a month and is a society for which all women students of the college are eligible.

One of the coming events is a style show in which various girls will model fall and campus clothing.

Lambert

Either next Tuesday or Wednesday an organizational meeting will be held at 7 p.m. in the Centennial Hall Lounge. Exact date will be posted. All girls are welcome, so says sophomore Bonnie Lambert, who is herding the Pi Sigs this year.

CHI RHO TOMORROW

Chi Rho, pre-theological society, will hold its first meeting of the year tomorrow in the choir room of the Fine Arts Center.

Dr. Alfred H. Ewald, president of Wartburg Seminary, will lead a panel of seminary students. Their topic is "What you can expect from the seminary."

PHEBES GET TOGETHER

First meeting of Phebes was held last Sunday afternoon, in the Faculty Lounge. Dr. Karl Schmidt, head of the Christianity Department, spoke on "Christian Responsibility."

A discussion about changing the meeting date was held, and a later announcement will be made concerning this matter. Project promoters were introduced and plans for the year announced.

THEY HELP CHILDREN

The Passavant Club met last Wednesday night in the Staff House at the Children's Home. A social hour was held following the election of Shirley Sathermyr as treasurer. This club meets the third Wednesday of the month.

YOU ARE ON THE AIR

Wartburg students interested in radio work are issued an invitation by the KWAR staff to attend the annual fall radio seminar to be held next Monday at 7 p.m. in Luther Hall, Room 101.

GRUBE STARTS 3-BETAS

Dave Grube, Tri-Beta governor, has called a meeting for his group Wednesday at 7:30 p.m. in Room 303 of Luther Hall. Dave says the organization will elect officers and consider the coming year's program.

IN EUROPE FOR A YEAR

Love Returns To Wartburg

Russian MIG's roaring overhead, windows rattling from Russian artillery practice — these were experienced last year by Dr. Katherine Love of Wartburg's German Department.

During the past year Dr. Love taught history and English in West Berlin and Fellbach, a suburb of Stuttgart, Germany, under the Fulbright Program. She was in Berlin during the Communist threat last November.

During that time Russian heavy artillery practice went on all day every day instead of Sundays only, as formerly, from 7 a.m. on. For a week MIGs passed overhead in formation every 15 minutes, day and night.

This was the so-called "battle of nerves" which resulted in near nervous breakdowns, and many sleepless nights for citizens of West Berlin. Housewives were ordered to lay in a two-month supply of staple groceries in anticipation of a blockade. Stockpiles of coal and briquets stretched for blocks in the heart of the city. All new German houses were required to be supplied with a wood-burning cookstove in addition to the regular modern gas or electric range in case of power failure or fuel shortage.

American citizens were under orders to be ready to evacuate at a moment's notice.

Two Minutes to Zone

Teaching in West Berlin, Dr. Love lived only two minutes from the Eastern Zone. To get downtown, it was necessary to go through East Berlin. A three and one-half-hour trip across Communist-held Germany separated her from the Western Zone. She made this trip four times in her auto, and each time she had to go to East Berlin and apply for permission to cross Communist territory. This was valid only for the highway designated and for a specified day. One dared not stop or leave the highway. The United States government disapproved

BACK FROM a year's stay in Europe, Dr. Love again faces Wartburg classes.

of its citizens driving through Eastern Germany and waived all aid in case they got into difficulty.

The only woman in the group of 12 Fulbright professors who went to Germany last year, Dr. Love instructed half her courses in the German language. She was the only member of the group to teach history. Aside from the differences between the organization of the American and German schools, Dr. Love noticed a difference in the pupils.

"German boys and girls are not so independent in their thinking or actions," she said. "They learn well by rote, but do not advance individual ideas. Even those of wealthy families who have all advantages do not seem to be as strong as our children."

Daughter Studies There

Dr. Love's daughter Sally, who is a senior in Waverly High School, studied her junior year in a gymnasium, the German school which takes pupils through the equivalent of a junior college.

One of the high lights of the year was 10 days spent in Greece visiting all the sites famous during the classical days of Ancient Greece. One of her treasures is a snapshot taken of her and her daughter standing under Plato's olive tree.

A never-to-be-forgotten experience was a discussion with the Greek archaeologist Papademetrius at his excavations of the site where the Greeks embarked for the Trojan War. He has not as yet made this public.

Behind Iron Curtain

Altogether, Dr. Love and her daughter were gone 13 months. Eight of those months were spent behind the Iron Curtain, where MIGs fly and artillery rumbles.

"This is a crucial time in European history," said Dr. Love. "It was very difficult but interesting to have been there. We found the German people very friendly and hospitable. They are fine people

and are keeping their morale high under severe strain.

"To one who has been in Berlin long enough to see beneath the surface and has come in close enough contact with people from both the East and West, it is evident that the gravity of the situation cannot be overemphasized. Newspaper reports are not exaggerated. We have seen and heard of many things which we wish we had not."

KWAR Member Of Radio Group

Radio KWAR, the voice of Wartburg College, has recently been admitted to the National Association of Educational Broadcasters.

NAEB is a radio network which each year distributes many hundreds of programs to its more than five hundred member stations.

Membership also entitles KWAR to NAEB services, such as consultant services, publications, radio workshops, seminars and exchange programs.

The network offers a variety of programs, including features on music, lectures, discussion panels, children's programs, interviews and drama. Many of these programs originate in foreign lands.

NAEB programs on the KWAR schedule for this fall will include "Russian Profiles," a series of documentaries called "News in Twentieth Century America," "Symposia on Evolution," "French Press Review" and "History of American Orchestral Music." A complete program schedule will be published in the Trumpet soon.

Knight Players Elect Officers

Wartburg Players elected additional officers at their organizational meeting held recently. Dale Stuepfert, senior, was chosen vice president; June Marolf, junior, secretary and Jane Marten, senior, treasurer. Organization president is Don Ehlers, sophomore.

Discussion centered around a float for Homecoming, committee memberships and the first play, which will be presented in-the-round. Try-outs for the play, which as yet has not been selected, will be held Oct. 5 and 6.

A coffee hour followed the meeting.
